Perry Pupils Entertained At Assembly

Summer school students at Perry Elementary School took time out from their studies Monday to present programs for their fellow students at an assembly.

Some of the activities which arose out of social studies or reading units were presented. On a patriotic note, Mrs. LaVerne Swegles' kindergarten and first grade class presented an American flag parade.

Miss Marjorie Carey's first and second graders presented an art exhibit, demonstrating what they have learned about trains. Musical numbers were planned by Robert Skillings' second and third graders, while American folk songs were sung by Robert Dunbar's third, fourth, and fifth graders. America's newest state inspired Mrs. Joanne Horn's fifth, sixth, and seventh graders to present Hawaiian dances.
